EXPERIENCE

CAREER COACH

International Committee of the Red Cross (ICRC) (Switzerland)

January 2019 – present

- Coach employees and managers to define their professional objectives and long term career goals.
- Provide continuous support to internal clients such as executive teams, managers and HR service providers as they engage in quality development conversations and development dialogues.
- Create and deliver workshops, tools and practices to scale up coaching support throughout the organisation (head office and field).
- Design and deliver workshops/tools to support people with similar career needs.
- Work with internal support (ombuds and psychologists) for difficult career situations.
- Community manager (online and face to face) for all things career related.
- Work with the other Career Centre coaches to manage an unofficial mentorship programme.

LEADERSHIP AND ACADEMIC AFFAIRS

The World Economic Forum (Switzerland)

November 2017- July 2018

- Managed the coaching module for the Global Leadership Fellows Programme (including managing all coaches and creating and implementing the coaching module and guidelines for three cohorts).
- Executive Coach for the Fellows and key senior managers.
- Career transition development discussions with Fellows and their Managers.
- Created and developed the communications strategy and branding for the GLFP.
